

The Matlock Athletic Club Beetroot race on Boxing Day!!

This takes place from High Peak junction starting at the Carriage at the foot of the Incline and heading up to Black Rocks trig point!

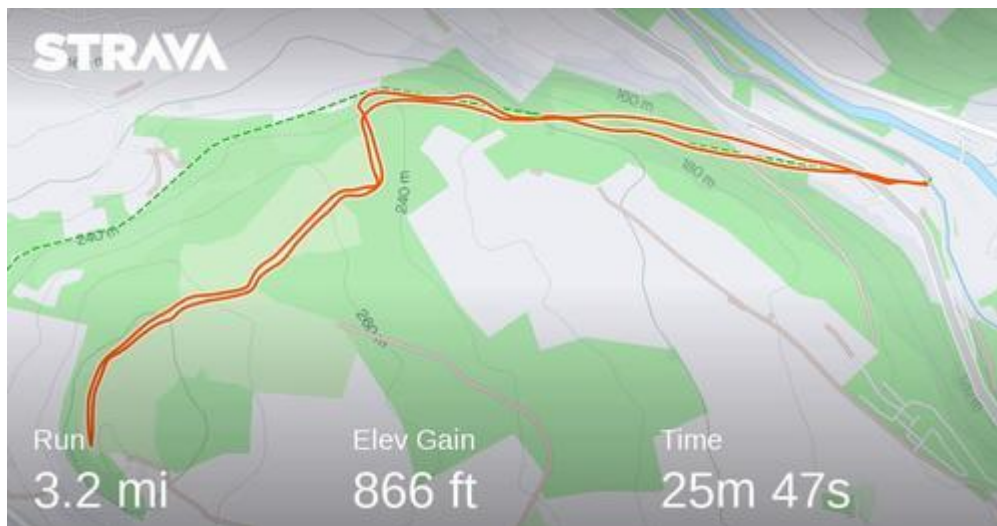

There's no one route - it's quickest line to the top and hammer time back down finishing over the bridge back in Car Park over the Railway line.

10:30am start so don't leave it too late!!

Here's the route that John Thorpe took before – there are quicker ways if you know you know!!

Open to all members!!

A junior race takes place at the same time but goes up to the top gate and back down!!
